NEWSLETTER

Our newsletter is the best way to make sure that you hear our news, find out about new makers that we're working with, new things that we've found and added to the collection, and to make sure that you don't miss out on any 'limited editions'. Sign up for our newsletter and we will be sure to keep you 'in the know'.

Secrets are only for those 'In The Know'.

Newsletter subscribers will also occasionally be whispered a Simple Shape Secret: one-off discounts... because the sun is out... because the cake was good... because there's an 'S' in the month... just because we can.
